**Characteristic(s):** Iridescent Serum, Phthalate Free, No Parabens, No Animal Testing, Medical Grade, Non-Comedogenic, made in USA.

**Skin Type(s):** All, Anti-Age

**Product Number:** STES029

### Product Story

Spin Trap Eye Serum combines actual Liquid Crystals with Spin Trap (PBN), the ultimate "intelligent" antioxidant. It physically protects the skin from the harmful, accelerated aging effects of the environment. It also works to change the path of what has already been damaged.

### Active Ingredients

**Phenyl t-Butylnitrone (Spin Trap)** - A highly active oxygen/nitrogen complex, instead of destroying free radicals, it traps them, transforms them in to useful oxygen and then transports them back into the respiratory cycle.

**Oryza Sativa (Rice) Bran Oil** - Different from other vegetable oils due to its high levels of tocotrienols and gamma-oryzanol antioxidants.

**Zea Mays (Corn) Silk Extract** - Provides a refined, emollient texture to effectively dispense actives to skin.

### Other Ingredients

Cholesteryl Oleyl Carbonate, Cholesteryl Nonanoate, Cholesteryl Stearate, Oryza Sativa (Rice) Bran Oil, Zea Mays (Corn) Silk Extract, Phenyl t-Butylnitrone (Spin Trap).

### The Dos

Gently pat a small amount of **Spin Trap Eye Serum** around eyes and/or on lips. Best if used at night while skin is resting and repairing.

### The Don'ts

For external use only, keep out of reach of children. Avoid contact with eyes.

### Notables

**Spin Trap Eye Serum** is Non-irritating, Clinically Tested, Allergy Tested and Dermatologist Tested.
