SPECIALIZING IN SOLUTIONS FOR ACNE, AGING SKIN, REJUVENATION & PIGMENTATION

Fact Sheet

Product: Glycolique Peptide Cream

Characteristic(s): White Cream. Paraben Free, No Animal Testing, Medical Grade, Non-Comedogenic, Made in USA.

Skin Type(s): All

Product Number: GlyPC030

Product Story

Glycolique moisturizer helps to remove dead cells and enhance the skin rejuvenation process by its mild and invisible exfoliation of rough dead skin. It also helps to reduce the appearance of fine lines and wrinkles, leaving skin soft and smooth.

Active Ingredient

Glycolic Acid, Pentapeptides, Retinyl, Lactic Acid.

Other Ingredients

Deionized Water, Glycolic Acid, Glyceryl Stearate, PEG-100 Stearate, Aloe Vera, Glycerin, Safflower Oil, Propylene Glycol Dimethicone, Squalane, Caprylic/Capric, Triglyceride, Lactic Acid, Allantoin, Panthenol, Shea Butter, Retinyl Palmitate, Tocopheryl Acetate (Miscellized Vitamin A & E), Hydroxyethylcellulose, Ammonium Hydroxide, Disodium EDTA Caprylyl, Sorbic Acid Ethyexylglycerin, Chloroxyleneol, Fragrance.

The Dos

Apply **Glycolique Peptide Cream** directly onto skin after normal cleansing. Apply to face and neck area. Rub gently to assist absorption. Allow to adsorb 5 minutes before applying any other product. May use at night and a Sunscreen SPF 30 must be applied during the day. Occasionally temporary mild stinging, itchy, prickly feeling may be experienced when applying **Glycolique Peptide Cream**. This is not an allergic reaction and is no cause for alarm.

The Don'ts

Sunburn alert. For external use only. Keep out of reach of children. Discontinue use if any signs of irritation appear and consult a physician. Avoid contact with eyes.

Suggested Products

Our Moisturizing Sunscreen SPF 30 or our Sunblock Gel SPF 30 provide excellent sun protection.
